

Mullumbimby art supplies

Still at the centre is now offering fine art materials, papers, canvas, craft supplies & more... in Mullumbimby

[Mullumbimby has an art store again!](#)

More than a decade after the little art shop closed, Mullumbimby has a beautiful art supplies store again (in fact we think it's the cutest one in Australia!)

We've crammed into it all the beautiful brands of oil and acrylic paint, watercolours, inks, pencils, pastels, brushes, markers, papers, canvas, stationery, pens, pads we've always supported in Byron Bay. So...

if you want to know precisely what we stock, please [click here](#) to be redirected to our general website.

In our Mullum space, we also regularly hold **workshops and demo days about art materials and techniques** so if you might have an interest please send us an email via the contact page and we'll pop you on our mailing list... or you can join our **fabulous loyalty program** to get vouchers & invites from us (works in both shops of course!)

Station Street – Mullumbimby NSW 2481

Our Mullumbimby art store & demo space is located between the roundabout & Woolworths opposite #51 (previously Poinciana cafe). You are welcome to drive in!
